## THOUGHT FOR MEDITATION

*A good gardener will do what it takes to help a vine bear fruit. What fruit does God want? Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (see Gal. 5:22-23). These are the fruits of the Spirit. And this is what God longs to see in us. And like a careful gardener, he will clip and cut away anything that interferes. ~ Max Lucado*
